To our Local Families:

Summer is an exciting time of the year for local students as they step into our engaging and fun-packed summer school program! At Casa Montessori, we specialize in providing a memorable learning experience both inside and outside the classroom. We offer a beautiful facility, a competitive curriculum and a professional and eager staff who look forward to providing your child with an inspired and knowledge-filled summer!

This summer, we will be offering an 8-week long program that will take the children on a journey of exploring the ocean in our 'Under the Sea' summer theme. The children will be covering such topics as sea animals and crustaceans, different oceans and water forms, seashells and coral, layers of the ocean, water safety, and much more! Our activities and workshops keep preschool and elementary age students busy throughout their break, allowing them to develop independence and self-confidence, learn new skills, try new things and make new friends. You can look forward to your child enjoying a fun-filled curriculum while still being able to take part in academic activities that are tailored to keep their minds sharp. At the end of each week, children engage in Water Play, where the children will get to play with various water toys and equipment.

Summer school registration is currently open. An informative flyer and registration form are both enclosed with this letter. Parents interested in enrolling their children in the 2020 Summer School are advised to place a non-refundable $200.00 deposit to reserve a spot. If you register all 8 weeks, you will receive a discount. Registration is handled on a first-come, first-serve basis and is due ***Monday, April 6th, 2020***. Child Care will be provided before school and after school for a charge of $25 per day. If you use Child Care for more than 20 days for the whole summer, you will pay a flat rate of $500.

We look forward to meeting you and your family. Should you have any questions, or if you would like to tour our campus, please feel free to contact us at 818-886-7922.

Sincerely,

Consuelo Valera
